Verification of Performance Certificate

We have undertaken verification of performance of Quantisal® oral fluid collection device (REF: QS-0025DEX, LOT: EK18539) in accordance with AS/NZS 4760:2019 (Appendix C, Para C4). Based on this study, Quantisal® oral fluid collection device is capable of storing oral fluid specimens with minimal variation within the acceptance range for all AS/NZS 4760:2019 drugs according to the attached report.

Clinical Department Manager: Mark Blakey

Signature:  Date: 16 Oct 2020
